INTERNATIONAL WHOLESALE TRADE & B2B SOLUTIONS

International logistics coordination

Request freight quotes and coordinate shipping schedules with providers.

DRAFT FEE	ESTIMATED TIMEFRAME
£300	**2–5 working days to arrange**

1 What We'll Do

- Freight quotes requested from logistics providers
- Coordination of shipping schedules
- Summary of quotes and recommended options

2 What You'll Need to Provide

- Shipment details (goods, weight/volume, origin, destination)
- Your preferred timeline

3 How It Works

1. Share shipment details and timeline
2. We request quotes and coordinate schedules
3. Receive the freight options for your decision

> **About this brief:** the fee and timeframe above are draft estimates for planning purposes, not a published commitment. We are not currently VAT registered, so no VAT is added. Your actual fee, any third-party or supplier costs, and final timeframe are confirmed in writing before any work begins.
