SUPPLIER & LOGISTICS NETWORK MEMBERSHIP

Supplier & Logistics Network Membership

Ongoing, monthly access to our vetted network of suppliers, providers and logistics contacts — built for businesses who source or ship regularly, not just once.

DRAFT FEE	ESTIMATED TIMEFRAME
£100/month	**Ongoing, cancel anytime**

1 What We'll Do

- Ongoing access to our vetted manufacturer and wholesale supplier contacts across our sourcing regions
- Direct routing to freight, shipping and customs coordination contacts we work with regularly
- Priority scheduling when requesting introductions or sourcing support during your membership
- Billed monthly with no fixed term

2 What You'll Need to Provide

- A short outline of the sourcing regions, product categories or logistics routes you need network access for
- Payment details via Stripe for the recurring monthly subscription

3 How It Works

1. Subscribe via secure Stripe checkout
2. Our team confirms your access and the network relevant to your needs
3. Request introductions or coordination support as needed — members get priority scheduling
4. Cancel anytime; individual sourcing, verification or logistics work beyond network access is quoted and billed separately

> **About this brief:** the fee and timeframe above are draft estimates for planning purposes, not a published commitment. We are not currently VAT registered, so no VAT is added. Your actual fee, any third-party or supplier costs, and final timeframe are confirmed in writing before any work begins.
