INTERNATIONAL WHOLESALE TRADE & B2B SOLUTIONS

Supplier information review

Review available company records and documents for a supplier and receive a summary of what we found; not a guarantee, and independent inspections are arranged separately.

DRAFT FEE
£400

ESTIMATED TIMEFRAME
3–7 working days

1 What We'll Do

- Review of the company records and business documents available for the supplier
- Summary of what we found
- Notes on any concerns identified
- A review of information, not a guarantee or endorsement of the supplier

2 What You'll Need to Provide

- Supplier name, contact details and any documents already held
- Any specific concerns you would like us to look at

3 How It Works

1. Share supplier details and any documents you already have
2. We review the records and documents available
3. Receive a summary of what we found; independent inspections are arranged separately

About this brief: This is a review of available information, not a guarantee or endorsement of any supplier. The fee and timeframe above are draft estimates for planning purposes, not a published commitment. We are not currently VAT registered, so no VAT is added. Your actual fee, any third-party or supplier costs, and final timeframe are confirmed in writing before any work begins.
