INTERNATIONAL WHOLESALE TRADE & B2B SOLUTIONS

Wholesale order management

Track supplier communications, order milestones and delivery arrangements.

DRAFT FEE	ESTIMATED TIMEFRAME
£1,000	Purchasing cycle

1 What We'll Do

- Tracking of supplier communications throughout the order
- Monitoring of order milestones and delivery arrangements
- Regular status updates

2 What You'll Need to Provide

- Confirmed order details and supplier contacts
- Your preferred update frequency

3 How It Works

1. Confirm order details and reporting preferences
2. We track and manage the order through to delivery
3. Receive status updates until the order is complete

> **About this brief:** the fee and timeframe above are draft estimates for planning purposes, not a published commitment. We are not currently VAT registered, so no VAT is added. Your actual fee, any third-party or supplier costs, and final timeframe are confirmed in writing before any work begins.
